## TELEVISION

### PILOTS

Title: Eventide

Genre: Fantasy/Science-Fiction - Animated (YA)

Logline: A young man attempts to hide his true nature from the world -- but that very nature could prove to be the only thing to help bring his kingdom back from annihilation.

Title: The Tritans

Genre: Science-Fiction - Animated (6 - 12)

Logline: Three solo heroes are forced to work together when the villains of their city turn the tables on them -- and a mysterious seer arrives with a calamitous vision.

Title: The Specials

Genre: Science-Fiction - Animated (6 - 12)

Logline: In a world where everyone is special, Rocky isn't — but when he stumbles upon a scientist whose mission is to save the planet, Rocky could be the key to changing everything.

### SPECS

Title: Trollhunters - "We're Not Kids Anymore" (Season 03)

Genre: Fantasy - Animated (6-12)

Logline: On their journey to the new Heartstone, Blinky's pressure forces Jim and Claire to take a day to themselves, but not everything is fun and games in Lonnie Land. Meanwhile, Toby tries to replace Jim as Arcadia Oaks' Trollhunter, but he runs into some familiar obstacles.
